

Consumers Federal Credit Union

Taking Advantage of....

...some of the great services we offer:

Fax Check - Simply fax or email a scanned check and have it immediately deposited into your account. Once you have confirmed the deposit, you can void the check.

Home Banking - Sign up for free home banking and enjoy all the great benefits including transferring money, viewing cleared checks/statements and much more.

Bill Pay - Our home banking site allows you to go online and pay bills for free. No more mailing payments, you can now just click a button and your bills are paid!

Account to Account transfers - Transfer funds to and from other institutions.

Wires - Wire funds from your credit union account to any other institution in the U.S or anywhere around the world.

Debit Cards - Our debit cards allow you to do point of sale transactions as well as withdraw funds from your checking account 24/7 at ATM's worldwide!

All this and so much more. For more information on all of our Services, contact customer service at 718-266-2204 or visit us on line at consumersfcu.org
