Deposit and Loan Growth

According to the 2017 New York Credit Union Association 3rd Quarter report, Consumers was ranked 1st in Loan Growth over a 12 month period and 3rd in Member Growth over a 12 month period for credit unions between 50 million to 100 million in assets. As always, we could not have done this without our members support. We look forward to another successful year in 2018.
