

CONSUMERS FEDERAL CREDIT UNION

Credit Union News Summer 2020

To all our members,

We hope that you and your loved ones have stayed safe and well during this pandemic. Although we are close to the finish line, it is important to continue to stay safe and healthy. Through the pandemic, we surpassed our commitment to stay open and continue offering financial services to all our members. We believe that our members are a part of our family and as such, we want to be able to provide any essential services while keeping everyone safe.

It is also in times like these that we cannot forget the importance of unity and hope. We would not be able to make a difference without standing together. Whether its to fight a disease or for social justice, we stand with you. We want to thank all of our first responders, medical staff and healthcare workers that are a part of our community. Without you being in the front line, we would not be able to fight this pandemic.

We would like to give a special thank you to all our members who were able to attend our virtual annual meeting on June 17, 2020. We hope we continue to exceed your expectations for the upcoming years.

As we continue fighting through this, stay safe, stay strong and never lose hope. Know that we are with you every step of the way.

Sincerely,

Stephen W. Jacoby
Chief Executive Officer
