CREDIT UNION NEWS FALL 2023

Don't FALL for Fraud!

Keeping your personal information safe is important to everyone. Scammers are always looking for ways to obtain your personal information and we want to remind you to stay vigilant!

1. Check with us first:

If someone contacts you and requests your account information, do not share any information. Please contact us directly at 718-266-2204 so we can validate the request.

2. Be Aware of Unsolicited Emails:

Check for typos or grammatical errors. If you get an email from what seems to be a legitimate retailer don't click any links if you are unfamiliar with the sender.

3. Check Your Account Regularly:

Check online banking periodically or go over monthly statements. It is important to confirm that account transactions are accurate and valid.

Your Opinion Matters!

Leave us a google review and tell us what you think.

Note from Our CEO:

“We are happy to share that as of August 31st our assets have grown over **\$90 Million!**

We are able to achieve this thanks to the support of our members over the years. When I began as CEO at CFCU in 1992 assets were at \$1 million. We have been able to grow, develop at a smart and steady pace while still continuing to treat all our members as family. This is our goal and something we will always continue to do for you and your families.”
