

CONSUMERS FEDERAL
CREDIT UNION

Looking For the Best CD Rates?

Our Match Rate Program* will help you
reach your banking goals.

We will match any financial institution
certificate rate!

Available terms include:

12, 24, 36, 48 and 60 months.

*APY=Annual Percentage Yield is accurate as of 09/01/2026 and applies to the initial term of a new certificate. We will match verified 12, 24, 36, 48, or 60-month certificates that you bring us from any federally insured U.S. branch bank or credit union. You must maintain the certificate for the entire term. If you withdraw your funds early, your certificate rate will revert to the rate offered by Consumers FCU at the time the new certificate was opened. Other penalties for early withdrawal may also apply. We may limit the amount you deposit in one or more certificates. This offer may be withdrawn without notice. Additional restrictions may apply. For more information, visit our website www.consumersfcu.org.

Please give a warm welcome to our newest team member!

Here is what our members are saying!

Ms. Henry did an outstanding job of communicating with me. As we all know, in business, communication is the key for a successful outcome. She kept me "in the loop" and the process was successful for me because I did not become anxious (not one time). - D.S.

I want to acknowledge April and Maria. I recently experienced fraud on my debit card and Maria and April assisted me through the process. Honestly, I don't know where I would be without you guys. I appreciate every answered call and request. Again thank you and your staff. D.E.

The service I received was impeccable, I will certainly recommend your services to others. Thank you for your assistance. - M.M.

I have been a part of CFCU for over 20 years. For many of the most productive and challenging years of my life, CFCU was there. It feels like family. - D.E.
